Calf Diary

Keep a record of the care & attention of your calf including feeding

The image shows a large sheet of cream-colored paper with a deckle top edge, resembling a page from a notebook. The paper is ruled with horizontal lines. Each ruling unit consists of a solid top line, a dashed middle line, and a solid bottom line. There are 10 such units on the page. On the right side, there are two pieces of green tape with white polka dots, one overlapping the other, as if they are holding the paper in place.

Calf Diary

The image shows a stack of ten cream-colored pages, each with a perforated top edge. Each page is ruled with a solid top line, a dashed middle line, and a solid bottom line. On the right side of the stack, two green rectangular sticky notes with white polka dots are attached to the pages. The top note is on the second page from the top, and the bottom note is on the third page from the top.
