Tumuaki's Report

Kia ora koutou

Welcome to Term 3. This term has started with cross country. The Pelorus Cross Country was a great day and it was pleasing to see the large turnout of parents supporting their children. Congratulations to the five students chosen to attend Marlborough Schools Cross Country, Marno de Kock, Oliva Harrison, Amy Ready, Sophie Thompson, and Dawn Ready. These students traveled to Blenheim last Thursday and represented our school with pride. The Rai school cross country will begin this Wednesday at 1.15 pm, everyone is expected to participate.

We are halfway through the year and our senior students have only 12 school weeks until external examinations. The school's internal examinations are held in week 9. (16th to 20th September). These exams are more serious than previous internals with all results now being submitted to NZQA.

Tumuaki's Report con't

Also, in week 9 the second round of common assessment tasks for literacy and numeracy will be held. This week we have had the results from the first round of the reading, writing, and numeracy assessment and there have been pleasing results for our Year 10 and 11's.

It was a busy holiday break for Keegan Quirk and Tessa Zilwood, who attended the New Zealand Area Schools representing the Top of the South Schools.(Canterbury, West Coast, Tasman, and Marlborough). Keegan and Tessa had both been selected for basketball, however, Tessa also participated in football and women's rugby. Congratulations to both Keegan and Tessa who were selected for the South Island team and to Tessa who was named to the NZ Area Schools Football team. It has been several years since we have had anyone selected to go to Nationals, so to be selected for the South Island and NZ Team is an amazing achievement. The TOSI team also won the tournament.

We have numerous opportunities happening for our students this term. On Friday 9th August the Year 9 Girls are participating in "Ignite" organized by Sport Tasman. Mr. Biasco has entered a secondary girls' team into the Nelson Volleyball Competition on Monday evening this term.

The Epo8 tech competition will be in Nelson on the 3rd and 4th of September for the Year 5 to 8 teams.

The Pelorus Maud Island trip is in week 9 and in the last week of term, the Year 9 and 10's will be at St Arnaud/ Lake Rotoiti on Camp. We will be joining Tapawera again this year. It is a great opportunity to meet new people and build friendships.

WHOLE SCHOOL CROSS COUNTRY
WEDNESDAY 7th AUGUST from 1.15pm
House Colours

Greetings everyone.

We have been very busy in the primary area with lots of running in preparation for the Pelorus Cluster Cross Country event, which went very well, last Friday and we even had great weather. Overall we were placed third. The weather was not so great on Tuesday when we tried to attend the Marlborough Primary School Cross Country event at the Wither Hills Track. Thursday is the postponement date, so fingers crossed.

“It was a great run at the Wither Hills, feeling proud of everyone, but pleased to get out of the cold!”

Our whole school Cross Country is scheduled for next Wednesday, 7th Aug, starting at approx 1.15pm. Please watch out for a further notice.

Primary assemblies are back to a normal timetable and classes will be hosting on different weeks. Your child will remind you when they are presenting. This week was a whole school assembly. Next week 8th Aug, Room 12 will be presenting.

On a beautiful ‘weather’ day here in Rai last Wednesday the Makos Rugby Team were passing through Rai and stopped to hangout with our junior students. Plenty of throwing, running, kicking and all things rugby took place.

Next week we will be starting our Keeping Ourselves Safe Programme with some in-class work and then Constable Charlotte Codlin joining us next week on Monday and Friday for some more in-depth lessons.

If you are needing to collect your child early from school or them not needing the bus on a particular day can you please ensure you have signed them off in the office with Pauline in the mornings. As with any change of details, addresses or phone numbers, these too need to be updated with Pauline.

CHICKENS...next week a notice and form will come if you would like some of these to raise. PET DAY will be upon us again soon also and there will be lots of notices to follow.

While the weather is still pretty chilly, please encourage a few warm layers for your children and we will help return them to you when they are left behind! Warm hats are good, but no hats or hoodies are to be up or worn in the classroom, thanks.

Regards and take care,

Karen Davies
Head of Primary

PELORUS CLUSTER CROSS COUNTRY

YEAR 7 & 8 TINY HOUSES

Our Year 7-8 students have been flexing their mathematical muscles while embarking on an exciting tiny home design project! As part of our measurement unit, students have been immersed in calculating perimeters, areas, and scale factors to bring their dream tiny homes to life. Their incredible designs have been so impressive that several students have entered the Harcourt's Tiny House competition.

Watch this space for updates!

Secondary News

Kia ora,

Term 3 is always a busy time academically for our senior students, with many subjects approaching the final few assessments, with others gearing up towards the external assessments in Term 4.

With this in the forefront of our minds, it is important for us to seize the opportunity to remind our students that they need to be attending school as much as possible, and making full use of their time in class and the support and resources that are being made available to them.

It is also an appropriate time to remind ourselves of the school's mobile phone policy, in particular the expectation that students are to either leave their phones at home, or hand it in for safekeeping in the office.

In extra curricular news, there are a number of activities and events coming up for our students. This week is the whole school cross country, the course for which is currently being organised. As this is a whole school event all students are expected to participate in some way, whether it is by competing, supporting some of the younger students, or marshalling. Appropriate clothing suitable for the chilly, damp conditions is an obvious expectation.

The planning for the Year 9 and 10 camp to Rotoiti (alongside Tapawera Area School) is underway and the programme is currently being devised. We are looking at spending the whole week there and further details will come out once we have them in a more concrete form.

Once again, thank you for your support during this time, it is as always, very much appreciated.

Dan Waldie
Head of Secondary

Congratulations to Elliott Hatcher and Bella Hickson for completing their Bronze Duke of Edinburgh Award

NATIONAL AREA SCHOOL TRIALS

A huge congratulations to Tessa Zillwood and Keegan Quirk, who both had a very successful week in Te Awamutu at the National Area Schools' Sports Tournament over the July holidays. Their Top of the South Island team was crowned overall champions!

After playing basketball for the Top of the South Island in games on the 8th to the 10th of July, Keegan was then selected for the South Island boys' team, which played against the North Island on the 11th.

Tessa was named in the New Zealand Area Schools tournament team for girls' football after also representing the South Island on the 11th of July. In addition to her football achievements, Tessa also represented the Top of the South Island in basketball and girls' rugby at the tournament.

We are incredibly proud of you both, and it is great to hear that you also made some good friendships with other athletes at the tournament.

Thank you again to our amazing community for all your support of our students!

SCHOOL CHICKEN ORDERS 2024

Baby chicks are back! Lambs, calves, daffodils and CHICKS...Spring is a great time of the year! Orders are now being taken for this year's one day old Brown Shaver chicks. When grown these will be laying machines!

Positive Relationships

Whakawhanaungatanga

Means working and playing in safe and thoughtful ways with others.

THE KIWI CAN CORNER

Positive Relationships / Whakawhanaungatanga

Kiwi Can is underway again and this term it's all about positive relationships – or “working together and playing in safe and thoughtful ways with others”.

We'll be working on these 3 modules this time around:

- ★ **Positive Communication** – Positive communication is all about how we can give and receive information, and share perspectives effectively with others.
- ★ **Cooperation** – Our focus on cooperation helps us understand how to listen, think, negotiate and compromise to create good outcomes.
- ★ **Friendship** – Our friendship module will help us identify different ways to support one another, and understand and practice empathy in our relationships with others.

How about talking with your children about *positive relationships*? What does it mean to *your* family? What do ideas of *positive communication*, *cooperation* and *friendship* mean to *you*? How do they play out in *your* family?

THE KIWI CAN CORNER

Positive Communication

In Kiwi Can this week we are exploring what ‘positive communication’ looks like and *practising* our positive communication with others.

Why not carry on the conversation at home?

- ★ What are some things we do in *our* family to show good manners in the way we interact with others?
- ★ How does speaking and listening *politely* feed into positive communication?
- ★ How can *asking questions* help us hear and understand other people's perspectives?
- ★ If you could have a conversation with anybody in the world – who would you choose? And what 3 questions could you ask to really get to know them better?

Job Vacancy : Agricultural and Pastoral Show Secretary/Treasurer

About Us:

We are a vibrant community organization dedicated to promoting agriculture, rural life, and community spirit. Our annual Agricultural and Pastoral Show brings together farmers, exhibitors, and families for a celebration of our heritage and achievements.

Position Overview:

We are seeking an enthusiastic and detail-oriented individual to join our team as the Secretary/Treasurer. In this pivotal role, you will be responsible for managing administrative tasks, financial records, and coordinating show-related activities.

This role increases in its demands the closer show day comes, which is the first Saturday in March.

Key Responsibilities:

Financial Management:

Maintain accurate financial records, including budgets, expenses, and revenue.
Handle payments, invoices, and financial reporting.

Event Coordination:

Work with heads of sections to ensure each section is ready for the day.
Coordinate exhibitor registrations, schedules, and logistics.
Work closely with vendors, sponsors, and volunteers.

Administrative Duties:

Manage correspondence, including emails, letters, and phone calls.
Prepare meeting agendas, take minutes, and maintain records.
Support the committee in day-to-day operations.

Qualifications:

Strong organizational skills and attention to detail.
Proficiency in financial management and record-keeping (XERO).
Excellent communication and interpersonal abilities.
Familiarity with agricultural events or community organizations is a plus.

Requirements:

Proficiency in Microsoft Office Suite (Word, Excel, Outlook), knowledge in Smartsheet advantageous.
Availability to work flexible hours during peak event time
Passion for community engagement and promoting rural life.
You will have an interest in the Show and local community with a view of keeping this event going strong into the future.
You will liaise with the committee and the community to put on Rai Valley's social day of the year.
This is a voluntary role, although an Honorarium in appreciation will be paid.

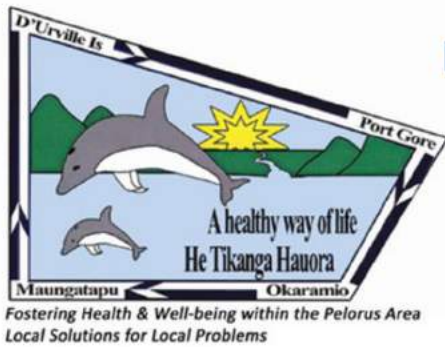

The role commences immediately after our AGM which is scheduled for Saturday 7th September 2024.
If this role sounds like you, please reply by 9 August 2024 with your details, an overview on your background, skills and experience, and why you would like to help and be part of an amazing non-profit community organisation.

Join us in celebrating our community's rich heritage and contribute to the success of our Agricultural and Pastoral Show!
